

2011/2012 Registration

Jr. Red Raiders Youth Competitive Wrestling Team (Grades K-8)

The Huntley Jr. Red Raiders Competitive Wrestling Team is a member of the Illinois Kids Wrestling Federation (IKWF). We believe wrestling is about goal setting and achievement. We expect our wrestlers to exercise discipline in practice, to compete with intensity and sportsmanship, and to respect their coaches and teammates at all times! We use wrestling as a tool to prepare our athletes, physically and mentally, for future success in life. We will provide the necessary tools for the pursuit of individual and team goals, enriching each wrestler's growth as individuals, allowing them to develop the skill, attitude, and enthusiasm needed while maintaining the competitive hard working philosophy that is required to compete in the world's oldest and toughest sport.

Our 2011/2012 season will be held in our private 5,000 sqft wrestling facility at Old School Wrestling Training Center (OSW). Our dedicated training center and our top tier coaching staff create a wrestling environment that will ensure your wrestler has the best opportunity to succeed.

the world

100% of yourself on

Huntley Jr Red Raiders is made up of volunteer coaches. The coaching staff is one of the key components to the success of our club. Our coaches dedicate themselves to not only the sport of wrestling, but to the growth of our wrestlers both physically and mentally. Some of our coaches have many years of experience, some have little previous wrestling experience, what they do all have in common is the best interest of every wrestler they come in contact with and the passion to fuel the growth as a Red Raider Wrestling Family.
