

2nd Annual HYF PowderPuff Game

This was such a successful event last year! There was well over 650 fans that attended the Powder Puff Game last year. The positive feed back that the committee received was amazing! Thanks to all of the participants, sponsors, and local fans we were able to raise \$9,000.00 last year !!! We anticipate the amount of participants will increase by atleast 25% this year.

Due to the popular demand, we will have a minimum of 4 teams that will play for a spot in the POWDER PUFF SUPERBOWL the same evening!

The Games will be held on ...

Saturday August 14th, 2010

at

Marlowe Middle School (times...tba)

Your signup fee of \$40 per player will include a jersey with your name and number on it, your name in the game day program, and your name announced at the game as a participant.

Mustang Sallies will be defending there title as promised. The remaining teams will be formed, by a random “pick of the hat” done by the HYF Powder Puff Committee. (We will except a friend request, but it is not promised.) There will be a team mom for each team and you will be contacted by her in July of 2010. The team mom will have the football squares form and rules to hand out to each player.
